## President's Message

June 2017

Well, it's official. Hurricane season is here and hopefully it will pass without incident this year, fingers crossed! In anticipation we have made improvements to the workshop recently. We replaced the front door with an impact resistant door and we do have the shutters on the front window. Along with the new door came a new door knob and lock, so if you hold a key to the workshop it will not work anymore. Instructors need to get there new key for the work shop.

We had a great picnic and again the idea of putting all our delicious recipes together was suggested. Just sayin!!!!

This session we have instituted a schedule for the front room and in the workshop to encourage classes and members to be more involved in cleaning the workshop on a regular basis so the end of the session should be much easier. It allows all members to be able to aid in the clean up with out giving up a Saturday. The schedule in the back is on the cork board and I ask that students step up and offer to help the instructor with these chores. It works out that each class has one week out of the eight to do a little something extra in the shop before they leave for the day. In the front room we asked that each class take a turn, every two weeks, and run the vacuum cleaner.

Thank you all for signing our new workshop use agreement. It has been

6/20/17

brought to our attention that equipment may have been misused and we hope that by making our workshop policy clear we will extend the life of our tools and equipment and most importantly, make sure we are operating as safely as possible. An other new piece of equipment will appear in the next few weeks. We have invested in a high end rolling mill for the silver class and the metal impressions class. We ask that you not use the rolling mill until you have been properly instructed.

Stay cool and enjoy your summer.

Meri Jo Theobald

## COMING EVENTS

**June 21st....** Board Meeting at Workshop at 7:00 pm

**June 25th....** Board Meeting at White City Methodist Church On Midway Rd. and Oleander Ave at 2:00 pm

**Oct. 21-22.....** 39th Annual St. Lucie County Rock, Gem & Jewelry Show

## SHOW INFO

It's that time of year again, time to start preparing for our annual show. You know what's coming next, I'm sure! The show committee is gearing up and we are beginning to recruit chairmen for several very important aspects of the show. The dates of the show will be October 21-22. Even if you are not available for those two specific dates, there is a LOT of work that needs to be done before the show opens. So start thinking where you can help out.
