President's Message

May 2017

I hope everyone is having a good summer and that every one stays safe in their travels. Those who are here have lots of elbow room in the workshop so be sure to sign up for classes.

We are networking with the artists we met at the Armory Arts Center in West Palm and hope to have some new courses to bring to our workshop (they like to call it a Studio). We will be updating you on this as it unfolds.

Just a reminder that Federation Week at Wm. Holland is June 11-18 and there are plenty of classes still available. Check the SFMS website for more details.

In the meantime stay cool and enjoy the summer!

Meri Jo Theobald
