President's Message

September 2017

After an unwelcome visit from Irma, we are all returning to our normals.

I hope that everyone survived unscathed and I understand that the power outages, standing water and trees down were the biggest complaints. The shop came through with flying colors and the storage trailer outback stayed up right and in place, thankfully.

Classes will resume as soon as each instructor is able to get back to the shop. It will be up to the instructor if make up classes will be held, as it's not their fault Irma dropped in.

It's that time already and all our attentions will be directed to the show. Chairmen for all show committees have been determined (voluntold) and will be asking for help on each committee. Please seek out a chairman and ask how you can help. If you aren't in the shop, you can call Marcia at 772-340-3841 and let her know where you want to work. If the list of chairs does not appear in this Rock Talk, we will send out specific emails with that information.

I want to thank everyone taking classes this past session for all the attention given to keeping the shop clean each week. It was very helpful in minimizing the clean up effort between sessions. The front room always looked neat and the carpet

9/17/17

was vacuumed regularly and it truly made a difference. Thank you all for that help.

Meri Jo Theobald
