CLASS SIGN UP POLICY

Since some of our classes are limited as to how many can enroll in a class, it is sometimes necessary to get your name in requesting that particular class. If so you need to turn in a class registration slip. They are in an envelope by the sign in book, in the Rock Talk and also available on the website. It is highly recommended that you pay for your class when signing up as this will hold your spot. By doing this early, it also lets us know if there will be enough students to conduct that class. We need at least three students per class. Your payment needs to be in at least one week prior to the start of the class or you will be removed from the request list. Your help in this matter is greatly appreciated and makes my job a little easier.

Thank you, Marcia

WANTED: PICKLE POTS

If anyone has any tiny crockpots that they would like to donate, we would be happy to take them off your hands. We use them in the workshop to pickle silver.

SHOW TIME

I know it's not October 31st, but we need to start thinking and organizing the itinerary now. We would like to know ahead of time who is going to do what and where. It all starts Oct. 30th with clean up at the Fairgrounds.

Below is a list of where we need help. If you are willing to help, please let **Marcia know (772-340-3841)** or fmeal@bellsouth.net.

- | | |
|-------------------------------------------------------------------------------------------------------------------|---------|
| 1. Clean up at Fairgrounds | Oct. 30 |
| 2. Set up at Fairgrounds | Oct. 30 |
| 3. Dealers Dinner to begin at 5 pm
(help with setting up food and tables) | Oct. 30 |
| 4. Helping with bringing and setting up setting up equipment
from the workshop and storage unit to Fairgrounds | Oct. 30 |

For the two days of the show there are various areas where we need help. Please let us know which day and time that you can help. There are three, 3 hour time periods each day – 9-12, 12-3, and 2-5. If you can work longer or both days that would be wonderful.

The Hospitality is headed by Judy Morrison and she needs help.

Demonstrations: We need members to demonstrate and answer questions in the following areas:
Beading, Cabbings, Glass Fusion, Faceting, Enameling, Silversmithing, and Wirewrapping.

We need members to help man the following areas: Silent Auction, Registration, Ticket Taking, Raffle Sales and last but certainly not least, we need members to help with the Dealers Dinner.

Also, **DON'T FORGET** to let us know if you plan to submit an item for raffle at the show. You can submit several items and the committee will select which they think most appropriate.
